ALASSY PACKAGING

Tube dimensions & construction

Pre-roll length	80 mm	98 mm	116 mm
Overall height (closed)	87.7 mm	105.7 mm	123.7 mm
Metal body length	78 mm	96 mm	114 mm
Usable internal length, to lid rim	81 mm	99 mm	117 mm
Body outer diameter	17 mm	17 mm	17 mm
Mid-body inner diameter	16.5 mm	16.5 mm	16.5 mm
Metal body wall thickness	0.25 mm	0.25 mm	0.25 mm
Maximum cap and latch, W × D	23.44 × 20.83 mm	23.44 × 20.83 mm	23.44 × 20.83 mm

80 / 98 / 116 mm refer to pre-roll length. Overall height includes the closed cap and bottom plug. Check the cap opening as well as the tube's inside diameter to confirm the fit.

Stainless steel body. Black plastic cap and bottom plug.

The label preview is for reference only. It is not a production-ready dieline. Confirm the fit and label production details before ordering.
